About Us:

Based in the heart of the UK with operations in Haripur, Pakistan, SMC TECH specializes in bridging the gap between traditional business values and cutting-edge digital opportunities. We fuse data-driven strategies with creative excellence to drive measurable growth for our clients.

We don't just provide services — we build legacies through strategic innovation and relentless execution. SMC TECH is Haripur's trusted digital marketing partner, helping local businesses grow online while creating career opportunities for the city's youth.

Success in business comes
from solving problems, not just
making profits.

WHAT WE DO:

Marketing Solutions

Tailored strategies across SEO, paid ads, and social media aligned with your business goals and budget.

Business Growth

We focus on metrics that matter: leads, conversions, and revenue.

Our Achievements: Milestones That Matter

Every number above tells a story — of local businesses trusting us with their growth, of campaigns that delivered real results, and of a small Haripur-based team expanding its footprint into the UK. These milestones aren't just statistics; they reflect the relationships we've built and the results we keep delivering, one client at a time.

Client Testimonials

Margaret Castro Business Owner

Working with SMC TECH completely changed how we approach our online presence. Their team was responsive, professional, and the results spoke for themselves within the first month.
